## **CERTIFICATE OF ANALYSIS**

| Product Name: 1-benzyl-4-nitrosopiperazine   |                |   |                    |  |
|--|----------------|---|--------------------|--|
| CAS NO: 40675-45-4   |                | SRC CAT No : SRC-N014184                    |                    |  |
| Batch No: SRC-133-AL-274   |                | SKC C                                       | A1 No: SRC-N014164 |  |
|  |                |   |                    |  |
| Date of Analysis:15 May 2024<br>Retest Date:15 May 2026  |                |   |                    |  |
| Structure:   |                |   |                    |  |
| o <sup>N</sup> NNN   |                |   |                    |  |
| Chemical Name  |                | 1-benzyl-4-nitrosopiperazine                |                    |  |
| Molecular Formula  |                | $C_{11}H_{15}N_3O$                          |                    |  |
| Molecular Weight   |                | 205.26g/mol                                 |                    |  |
| Sr. No.  | Test           | Result                                      |                    |  |
| 1)   | Description    | NA  |                    |  |
| 2)   | Solubility     | Soluble In DMSO,Methanol                    |                    |  |
| 3)   | Identification |   |                    |  |
|  | Mass           | Confirm to structure                        |                    |  |
|  | 1H NMR         | Confirm to structure                        |                    |  |
|  | IR             | Confirm to structure                        |                    |  |
|  | Purity by HPLC | Above 95 %                                  |                    |  |
| Long Term Storage condition  |                | Store at 2 <sup>0</sup> to 8 <sup>0</sup> c |                    |  |
| Shipping Condition   |                | Ambient                                     |                    |  |
| <b>Note:</b> This is only for Analytical testing purpose, not for Human or Animal Consumption. |                |   |                    |  |
| Note: 1-benzyl-4-nitrosopiperazine is a highly toxic semi-volatile organic compound and a      |                |   |                    |  |
| suspected human carcinogen. Handle the material carefully with proper safety measures.         |                |   |                    |  |
|  |                | Signature                                   | Date               |  |
| Checked By   |                |   |                    |  |
| Approv   | ed By          |   |                    |  |
